Sir,

With reference to G.O. No.L.998-1000 L.B. 131-29-4 dated 25th July 1930 ordering that one fourth of the income from Jatra held in connection with the annual car festival of Sri Gangammadevaru at Melur Sidlaghatta Taluk be paid to the District Board on condition that they meet all the cost in connection with sanitary and other arrangements I have the honour to state that the Board is annually spending Rs.500/- in connection with the jatra and that the success of the jatra is mainly due to initiative of the Board who created necessary facilities, for its development by opening an important road at a cost of Rs.15,000/- from Sidlaghatta to Melur and on to Vadagenahalli by improving the sites and jatra area and the well therein and by repairing the car-shed and the Vananam as already stated in this office letter No.D 1 Dis.OC.701/ 29-30 dated 20-2-30. The cost of all these works is far in excess of the realisations from the jatra and the Board having already spent such a heavy outlay on these improvements and having to spend in future also a heavy sum on the maintenance of the road already opened, it seems just and equitable that at least a major portion if not the whole of the jatra collections should go to the District Board. The temple is a non-Muzrai Institution and the management of it till now vested with
